Glenda,

We do not have any cases involving Mr. Baechtel in Ravalli County District Court. Since District Court does not issue traffic tickets I would assume it would either be in Justice Court or even City Court.

Please read the correspondence from Mr. Baechtel. Can you check on this issue and respond to Mr. Baechtel one way or the other and cc me? Thanks

Glenda: I have no idea who this man spoke with but we do have a \$40 speeding citation for him, he has not left any messages with Justice Court #2, however I will call him today and speak with him about it.

RE: Warrant

It has come to my attention that there is a warrant out for me regarding an unpaid ticket. I do not recall ever receiving a ticket in Ravalli County. I have called on several occasions, left messages as well as spoken with staff that have responded they would look into the matter and get back to me.

As of this date, I have not received any information and would like to resolve this matter immediately. I live in Helena, MT so it is not convenient for me to drive to Ravalli County to resolve this. As stated, I've tried to resolve this over the phone without success.

Please advise what steps I need to take to resolve this matter.

Thank you in advance for your assistance.

Sincerely,

Joseph C. Baechtel
